I apologize for the delay in getting back to you. We have a Group meeting scheduled for next Tuesday and this item is on the agenda. We'll get back to you once we have direction from the Group.

Bill, Karyllan – Just wondering where we stand on the sample preservation idea we discussed a while back.

Bill – I apologize for the delay. Here is a red-line of your red-line. After you've had the opportunity to review, we should set up a call to discuss.

Brian,

Here is a spreadsheet showing that our storage fees total approximately \$330K for samples that are past their holding times under the relevant QAPPs. I know you are working on a form of agreement, but I thought you should know how much is at stake. Should we have another call to discuss how to get this resolved?
